## To get involved...

If you are a mum, a dad or a carer or an organisation and would like to find out more or get involved with the activities on offer...

- Drop in to Clevedon Children's Centre @ The Barn.
- Drop into the 4 Mums and Mums 2B Telephone the number on this leaflet and we will arrange to meet you
- Talk to a parent already involved in the Programme.

If you are an organisation wanting to encourage mums, dads and carers to use **Clevedon Children's Centre** - first discuss the idea with the family then you could...

- Pass on this leaflet
- Accompany the family on their first visit
- Discuss with a member of the Clevedon Children's Centre team for further information
- Make a referral

**We look forward to meeting you!**

## What is a Children's Centre?

Children's Centres are developing across North Somerset as a key aspect of the North Somerset council plan for Children and Young Peoples services (CYPS) and the delivery of the 'Every Child Matters – change for children' agenda.

Children's Centre provide locally based and accessible services to improve the outcomes of children aged 0-5 years and provide support for parents in giving their children the best start in life.

The aims of **Clevedon Children's Centre** are to welcome all families with young children, providing services, support and advice to children and their families.

Mums, dads, grandparents, childminders and other important family members are all welcome. The multi agency staff team work in partnership with others to provide the support your children need as they grow up.

## Groups currently run by the Clevedon Children's Centre:

### Monday

- **Childminders group** 9.30-11.30
